Dear Credit Union Member,

North State Telco Credit union members have always looked to the credit union for guidance through their financial lives. Whether it be what type of car to buy, or what loan program best suits a particular need, members rely on their credit union for honest, confidential, and cost ó saving solutions. One of the most complex areas of concern for members has been insurance coverage. Which carrier should I use? How much coverage do I need? What is the difference between Term Life Insurance and Whole Life Insurance? These are tough questions, with enormous consequences.

Our goal is to pair members with the right insurance coverage at the right price. We will provide you with access to a trustworthy source for insurance information and then do the shopping on your behalf for the best rates and coverage possible.

We would like to invite you to join us for a 30 minute òlunch and learnö informational session led by Karen Tuggle, an insurance protection professional with 29 years of experience. Karen will deliver straight, honest talk, professional service, and cost savings on all your insurance protection needs.

If you would like for Karen to run a cost comparison of what you are currently paying for auto, home or life insurance; please bring a current copy of your policy with you and you can see for yourself how much you may be able to save!

Karen will be at North State Telco Credit Union on the following dates listed below:

February 16, 11:30-12:00 _____

May 12, 12:00-12:30 _____

August 18, 12:30-1:00 _____

November 10, 1:00-1:30 _____

If you are interested in a cost comparison but none of these dates works for you, contact Karen directly at 1-800-951-8000 ext 141. Don't forget to mention that you are a member of North State Telco Credit Union.

I look forward to seeing you!
